## SKILLS

**Programming Languages :** Java, C basics  
**Tools & Technologies :** HTML5,CSS,JAVASCRIPT, git  
**Libraries :** React, Axios, mongoose  
**Databases :** Mysql

## EDUCATION

2020 - 2024	Potti sriramulu chalavadi mallikharjunarao college of engineering B.Tech Computer Science and Engineering- <b>CGPA : 7.71</b>	Vijayawada, Andhra Pradesh
2018 - 2020	<b>Sri Chaitanya Junior College</b> Higher Secondary Education - <b>Percentage : 95%</b>	Guntur, Andhra Pradesh

## EXPERIENCE

**Trainee at Excelr** july 2024 - Dec 2024

### Java Full Stack Developer :

I trainee at ExcelR, I am building expertise in full-stack development by learning HTML, CSS, JavaScript, React, Core Java, MySQL, and Spring Boot. This experience has strengthened my foundational skills and enhanced my ability to develop robust web applications. I am committed to leveraging these technologies to create efficient and scalable solutions.

## PROJECTS

### Real-Time Chat Application (MERN)

- Built with React, Tailwind CSS, Socket.IO, and MongoDB Atlas for real-time communication and efficient UI/UX.
- Integrated secure login and signup with JWT authentication; implemented real-time online status and messaging.
- Deployed with Vite; route management handled via React Router DOM for seamless navigation.
- Utilized Zustand and JS-cookie for effective state management and handling user session data.

### Netflix-clone Clone (MERN)

Full-Stack Development: Built an Netflix clone using the MERN stack (MongoDB, Express, React, Node.js)

### Clone the website:

Developed clones of popular websites(KFC,FLIPKART,RAZER,VAARADHI FARMS) using HTML and CSS to replicate their layouts and design features. Gained expertise in crafting responsive, pixel-perfect designs and enhancing UI/UX skills through hands-on projects

### Weather app:

Designed and developed a dynamic weather application using HTML, CSS, and JavaScript, featuring real-time weather data, responsive design, and an intuitive user interface.

## CERTIFICATES

Cybersecurity Certification	2022
Javascript in Hackerrank	2024
Java full stack developer	2024

## HOBBIES

Watching Movies  
Playing cricket

## LANGUAGES

English - Professional Working Proficiency  
Telugu - Full Professional Proficiency
